HOW TO GET TO BRATISLAVA

Arriving in Vienna

By plane

If your flight arrives to Vienna, you need to take a bus to Bratislava. The buses from Vienna leave approximately every 30 minutes from terminal no. 4, located right in front of the arrivals gate at the Vienna Airport.

There are 2 companies that provide bus services. If you choose Blaguss (Eurolines), your destination is Bratislava - Most SNP (Nový most). If you choose Slovak Lines (Postbus), your destination is bus station Mlynské Nivy. Both terminals are close to the city center. Do not miss your stop, most of the buses continue to Bratislava Airport!!!

The ticket costs 7-8 euros, plus 1 euro for every piece of baggage. You can purchase your tickets directly from the driver in cash (credit cards are not accepted!!).

You can find more information about the connections, timetables and prices here:

Arriving in Bratislava

By Plane

Another option is arriving to Bratislava by plane. You can use public transportation or taxi to get to the city center.

By train

If you choose to travel by train, your destination is the central station "Bratislava - hlavná stanica", which is in walking distance of the city center and most of the EMC venues. In some cases, the final destination of the train is train station located in Petržalka "Železničná stanica Bratislava-Petržalka". In this case, to get to the city center, you will need to use public transportation or taxi.

By bus

You can also arrive to Bratislava by bus. Several bus lines make different stops in different parts of the city. You should get off the bus at terminal "Autobusová stanica Mlynské Nivy", which is usually the final destination for many connections. This terminal is closest to the city center and most of the conference venues. Another option (for some connections) is terminal "Most SNP - Nový Most".

Soon we will provide detailed information on transportation in Bratislava, including more details on public bus transportation and taxi services, with special focus on EMC venues and other places of interest.

Welcome to BRATISLAVA!

We would like to offer you some tips on transportation during your stay for the 19th EMC :)

PUBLIC TRANSPORT

All of the conference venues are within walking distance of each other. However, you can decide to use the public transport. You can find the maps and timetables here:

You can also take a **taxi**. Generally, taxis are less expensive if you make a reservation by phone. There are several companies, so we offer some tips:

Žižkova 12 (entrance: Žižkova 16)

How to get there:

There is no direct public transportation to the museum. You can take one of the buses or trams to “**Nový Most – Most SNP**”. From there, the walk to the museum takes about 10 minutes.

However, due to the fact, that great portion of the city center is under construction (which affects the traffic), the easiest way to get to the museum to **walk** there.

The walk on the bank of the Danube river takes about 20 minutes (from the conference venues on Konventná or Gondova streets).

The museum is accessible by car, so you can also take a **taxi**.
